

**EASTERN CONNECTICUT STATE UNIVERSITY  
EDUCATION DEPARTMENT**

**Advisement Guide For **Master of Science in Elementary Education** With Certification  
(CT 305, Grades 1 to 6)**

**This form supersedes catalog requirements and previous forms.**

Standards for teaching are set by the profession and by the State of CT. and are outlined in the Connecticut Common Core of Teaching. Eastern Connecticut State University has a State-approved teacher education program designed to prepare candidates to be certified professionals in education. This plan of study is an outline of requirements set by the University and by the State of CT. for the teacher certification program. This outline represents minimum requirements. Each student is encouraged to take the initiative to exceed these requirements in preparing to be the best professionals possible. Students successfully completing the Elementary Education Teacher Certification Program will receive, from the State of CT., certification in general education for grades 1-6.

**Entrance into the Teacher Education (CARE) Program:**

CARE Application deadlines (applications due by the FIRST of the month):

- Fall admission: June, July, August
- Spring admission: September, October, November, December, January
- Summer admission: February, March, April, May

1. Applications to the graduate certification program must be submitted electronically through the online link at the Graduate Division: <https://tinyurl.com/EasternGrad>
2. All applicants must be fully admitted by the teacher education program (CARE) as well as by the graduate school.
3. Application requirements, including a **minimum 2.70 cumulative grade point average** from all undergraduate coursework, are listed in the application. Average GPA of the admission cohort must be at least 3.00.
4. All applicants must demonstrate **basic competence in Reading, Writing, and Mathematics** by submitting an objective measure of these skills (*i.e.*, the Praxis I Core, SAT, ACT, or GRE test) and achieving a minimum score prescribed by Eastern's CARE (Committee for Admission and Retention in Education). The exam should be taken early enough so that scores will be available when application is made to the teacher education program. Applicants who do not meet the minimum competency can remediate by re-taking the tests or through select coursework; such remediation must be successfully completed prior to student teaching.
5. **Three recommendations** (forms).
6. Applicants must successfully complete an **interview with Education Department faculty**.
7. Evidence of **20 hours of service** working with grade 1 through 6 learners in diverse settings and in an established educational organization is **recommended**.
8. Admission to the certification program and the graduate school will be provisional until successful completion of the undergraduate degree.
