

EASTERN CONNECTICUT STATE UNIVERSITY
EDUCATION DEPARTMENT

**Advisement Guide for Undergraduate BS in Early Childhood Education (ECE) & Certification
(CT 113, Integrated Early Childhood/Special Ed., N - K - Elem. 1 – 3)**

This form supersedes catalog requirements and previous forms.

Standards for teaching are set by the profession and by the State of CT. and are outlined in the Connecticut Common Core of Teaching. Eastern Connecticut State University has a State-approved teacher education program designed to prepare students to be certified professionals in education. This plan of study is an outline of requirements set by the University and by the State of CT. for the teacher certification program. This outline represents minimum requirements. Each student is encouraged to take the initiative to exceed these requirements in preparing to be the best professionals possible. Students successfully completing the Early Childhood Education Teacher Certification Program will receive, from the State of CT., dual certification in general and special education for preschool and kindergarten, and general education for grades 1-3.

Academic Major: To be certified in the State of Connecticut, one must have a bachelor's degree from an approved institution. Early Childhood Education Certification at Eastern Connecticut State University requires a major in an academic subject other than Physical Education as well as completion of the Professional Preparation Courses listed in the following recommended course sequence. Undergrads must meet regularly with their academic advisors from their declared majors and meet all of the University and Departmental requirements.

Articulation with Community Colleges: If you wish to be considered for the articulation agreement with community colleges, you must have successfully completed an Associate's Degree in Early Childhood Education from a CONNCSU community college.

Entrance into the Teacher Education (CARE) Program:

Application deadline: February 15

1. Applications to the teacher education program can be accessed through the Education Dept. CARE webpage.
2. Application requirements, including a **minimum 2.70 cumulative grade point average** from all undergraduate coursework, are listed in the application. Average GPA of the admission cohort must be at least 3.00.
3. All applicants must demonstrate **basic competence in Reading, Writing, and Mathematics** by submitting an objective measure of these skills (*i.e.*, the Praxis I Core, SAT, ACT, or GRE test) and achieving a minimum score prescribed by Eastern's CARE (Committee for Admission and Retention in Education). The exam should be taken early enough so that scores will be available when application is made to the teacher education program. Applicants who do not meet the minimum competency can remediate by re-taking the tests or through select coursework; such remediation must be successfully completed prior to student teaching.
4. **Three recommendations** (forms).
5. Applicants must successfully complete an **interview with Education Department faculty**.
6. All applicants must provide evidence of **20 hours of service** working with PreK through grade 3 learners in diverse settings and in an established educational organization.
7. Application to the certification program should be made during the semester prior to beginning Core I of the program, typically when the applicant has completed between 45 and 60 credits of college coursework.

PROFESSIONAL PREPARATION COURSES

***All teacher candidates must receive a grade of C or higher in all these courses ***

Prior to Admission (pre-requisite to admission to the ECE-UG CARE program)

Pre-requisite courses may be completed prior to admission into the Early Childhood Education Teacher Certification Program or may be "In Progress" during the semester of application deadline.
