SBA 22/23-01 Sunsets the Committee on the Liberal Arts Core and removes it from the by-laws, effective November 4, 2022.

Rationale:

The Committee on the Liberal Arts Core (COLAC) was charged with investigating liberal arts programs and peer and aspirational institutions, proposing a new structure for a liberal arts program at Eastern Connecticut State University with consultation from faculty, establishing the new liberal arts core structure through a University Senate bill, and transitioning implementation of the new LAC program to the Liberal Arts Program Committee. **Senate Bill 21/22:06 Creating a New Structure for the Liberal Arts Curriculum** was approved on April 5, 2022.
