Health Effects

Search TOXNET

The following information (Health Effects, Handling/Disposal, and Ingredients) is taken from the product label and/or the [Material Safety Data Sheet \(MSDS\)](#) prepared by the manufacturer. The National Library of Medicine does not evaluate information from the product label or the Material Safety Data Sheet.

Warning from Product Label: In case of eye contact rinse thoroughly with water for 15 minutes. If eye irritation persists, contact a physician. If swallowed, drink a glass of water to dilute. As with all household cleaners, keep out of reach of children.

Acute Health Effects: From MSDS
Inhalation: May cause irritation of the mucous membranes.

Skin Contact: May cause skin irritation on prolonged contact.

Eye Contact: Causes eye irritation.

Ingestion: Causes nausea, vomiting and diarrhea.

Chronic Health Effects: MSDS provides no information about chronic health effects resulting from prolonged or frequent use of this product.

See the accompanying chemical database file for a further discussion of potential health effects of the chemical ingredients that are found on the label or mentioned in the MSDS. (Product ingredients can be found in the

current database file.)

Carcinogenicity: The manufacturer's Material Safety Data Sheet (MSDS) states that the product contains no listed carcinogens.

Health Rating: 1

Flammability Rating: 0

Reactivity Rating: 0

HMIS Rating Scale: 0 = Minimal; 1 = Slight; 2 = Moderate; 3 = Serious; 4 = Severe;
N = No information provided by manufacturer; * = Chronic Health Hazard

MSDS Date: 1997-04-28

Handling/Disposal

Handling: MSDS: Keep out of reach of children. Avoid contact with skin and eyes. Use in a well ventilated area. Avoid contact with strong oxidizing and reducing agents, acids, alkalis, organic peroxides and easily ignited materials. Avoid prolonged contact with metals such as aluminum, brass, and bronze. May produce irritating or poisonous gases if strongly heated.

Disposal: MSDS: Do not put into sewer or onto ground. Contact your local hazardous material recycling center for disposal.

Ingredients from MSDS/Label

Chemical	CAS No / Unique ID	Percent
<u>Potassium hydroxide</u>	001310-58-3	3.1
