How to find your Destination

To find your destination, refer to the listing above, then the map.

The campus sectors are broken into **color coded header sections**

which correlate to the graphics and legend on the map.

Find the building/department you are looking for in the

alphabetical listing, under the appropriate header.

Each building/department has an ID# and grid coordinates.

Refer to the grid line coordinates on the map, and you will see the

color coded destination, identified by an **ID#**. Additional symbols

are included in the legend for easy reference.
