Most locations

Plant Based Destruction Service

- On the predetermined schedule, Infoshred sends a box truck to your location to swap out the full container for an empty container.
- The full containers are returned to our secured facility in East Windsor, where they are shredded.
- Material is returned to our secure facility, re-shredded, baled and sent to a mill to be re-pulped. Cost includes shredding, & container use -Invoice includes the certificate of destruction.
- 65 Gallon containers must be kept at ground level unless elevator access is available.

Plant Based Destruction Service

Minimum Charge: \$25.85 Per Pick-Up

Console: \$7.30 each container

65 Gallon: \$10.95 each container
