Class Prerequisites: None

Note: Costs and dates are subject to change as plans are finalized

ABOUT THE COURSE

ANT 380 (Cross Cultural Study, 3 credits) is an elective course open to all Eastern students. It must be taken simultaneously with its co-requisite ANT 381 (Seminar in Cross Cultural Study, 1 credit). Together, these two courses meet an experiential learning requirement of the Anthropology major. Before heading off to the beautiful island of Puerto Rico, students will meet several times to learn about the history and culture of Puerto Rico and its political relationship with the U.S.A. While abroad, students will visit the Caribbean National Rainforest, The Casa Pueblo Forest School, and a 19th century coffee plantation, among many other stops! After returning from Puerto Rico, students will meet to debrief about the trip and hear student presentations about their experiences.
