Dear Jacob Easley II

Congratulations, your institution is now officially a member of the AACTE Holmes Scholars program.

You can now assign your Holmes Scholars as such in the AACTE Profile Manager. The Chief Representative (Jacob Easley II) can designate Holmes Scholars online. To do this, the CR needs to login to the AACTE Profile Manager <http://myprofile.aacte.org> [1], find or add the students information, and assign them to the Holmes Scholars category.

Additional Notes: We will arrange a session to talk about implementation strategies
