Special Education	Jordins	Spring A&B	
* 1.5 per term for each practicum experience	re and must t	take two sections for	each course to meet
the state's requirement.	c and must t	take two sections for	cach course to flicet
me state s requirement.			

30 credits

Total program credits

EASTERN CONNECTICUT STATE UNIVERSITY MASTER OF SCIENCE DEGREE in SPECIAL EDUCATION

(Comprehensive Special Education, K-12 (CT-165) Cross-Endorsement***)

Notes: Prerequisite course(s) in special education should be taken prior to beginning the program.

Additional Notes:

- ** The culminating research project (EDU 697) will be an action research project that requires EDU 610 as a prerequisite.
- ***Upon completion of the MS in Special Education and the certification tests (Connecticut Foundations of Reading Test 190 and Praxis II, Special Education: Core Knowledge and Mild to Moderate Applications 5543), students may apply to the CT Department of Education to crossendorse to Comprehensive Special Education, K-12 (#165).

In any event, all coursework, including transfer credits, must be completed within six (6) years of registering for the first graduate course at Eastern Connecticut State University.
