**Time Limit Extension Request**

Graduate programs must be completed within a period of six (6) years. This time limit begins upon registration for the first graduate course. Transfer credit and graduate courses taken under non-degree student status are included in this time period. Students who do not complete the degree within the established time limit risk the forfeiture of the accumulation of credit hours and any other privileges associated with graduate status. Students requesting an extension to the time limit should complete this form and submit it to the Office of the Dean, School of Education/Professional Studies and Graduate Division, Webb 160. Additional information regarding the reason for the extension may be attached to this form.
