

New Employees OSHA Information

The Occupational Safety and Health Administration (OSHA) policy 1910.1020 requires that upon hire, all employees be informed of their rights, or those of designated employee representatives, to request and receive copies of medical and/or testing records related to potential or reported exposure to certain hazardous chemicals or substances. Accordingly, linked below for your information is the text of OSHA policy 1910.1020.

[1910.1020 - Access to employee exposure and medical records. | Occupational Safety and Health Administration](#)

Questions regarding this policy should be referred to Tassio Mcfarlane, Director of Environmental Health and Safety at mcfarlanetas@easternct.edu or 860.465.5502.
