Tutoring Options for Math Students – FALL 2020

Please remember, not all tutors are able to tutor all classes. The MAC website lists the classes for each tutor.

Online/Virtual Tutoring – Hours by appointment:

Appointments can be made using GradesFirst. See instructions at the bottom of page 2. Appointments are for 30 minutes and begin on the hour and the half hour. These are not one-on-one appointments, but a limit of 8 students are allowed in the virtual MAC study room. You may be working with a tutor, or just be in the virtual room working on math being monitored by the tutor.

Monday: 1:00 pm - 4:00 pm
Tuesday: 10:00 am - 12:00 pm
Wednesday: 10:00 am - 11:00 am and 1:00 pm - 4:00 pm
Thursday: 11:00 am - 12:00 pm
Friday: 2:00 pm - 3:00 pm

If you don’t see a tutor listed when you go to GradesFirst, it is probably because no one is available for your specific class at that time.

You do not need to make an appointment for these hours, and you may arrive and leave at any time during the session. There is a limit of 12 students allowed in the virtual MAC study room during these drop in hours. Use the link next to the hours to enter the study room.
