Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, student services, and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.**

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Data Reporting Reminder:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2021-22 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

Changes to reporting for 2021-22:

- There are no changes to this survey component.

Common Errors

Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting.

- Part C, question 8 should only be marked 'YES' if your institution is **EXCLUSIVELY** distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.

Summary

Institutional Characteristics Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2021.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
